

IN THE DRAWINGS

The Examiner objected to the drawings in the Final Office Action dated January 9, 2004. Specifically, the Examiner stated that reference numerals 16, 20, 22, 18, 24, 28, 30, 31, and 32 require labels as described in the specification. Figure 1 has been amended and the labels requested by the Examiner have been added. Applicants have attached Figures 1-3 for the Examiner's approval. No new matter has been added as a result of the amendments to the drawings.
